2021春季学期 2021 Spring

周日 Sunday 1-2pm 周三 Wed 4-5pm

Box Island

Let's use code to join Anna and Elsa as they explore the magic and beauty of ice. You will create snowflakes and patterns as you ice-skate and make a winter wonderland that you can then share with your friends!

Code with Anna and Elsa

Artist

Bring some of your favorite Cartoon Network characters to life by coding your own animation. Add more characters and make them jump, fly, and talk.

Make a Flappy game

Use drag-and-drop programming to make your own Flappy Bird game, and customize it to look different (Flappy Shark, Flappy Santa, whatever).

• Take a trip on Box Island and collect all the stars! Box Island is a beautiful mobile coding game that takes kids on an exciting adventure on the charming island.
