Thompson**

English Reading & Writing

Grades 3-4 and Grades 5-6

Biography

Mrs. Thompson is currently a Texas certified teacher from early childhood to 8th grade. She has over 20 years of experience working with students in both education and the performing arts. She has a true passion for teaching children and enjoys helping them progress in all areas of development, including academically and socially.

Course Description

This course is designed to use a student-centered approach. It is geared towards students in grades 3-4 or 5-6, focusing on deeper reading comprehension skills. Students will be exposed to great works of fiction and informational text. The writing process will be used to create narrative, persuasive, and informational pieces of writing, encouraging students to find their individual style. The end goal is to produce confident writers and independent thinkers through fun and engaging lessons.

Grades 3 and 4

Biography

Mrs. Thompson is currently a Texas certified teacher from early childhood to 8th grade. She has over 20 years of experience working with students in both education and the performing arts. She has a true passion for teaching children and enjoys helping them progress in all areas of development, including academically and socially.

Course Description

This course is designed to use a collaborative approach for students in grades 3 -4. It focuses on building vocabulary, along with using new words in real-world context. Students will explore prefixes and suffixes to decode and acquire new vocabulary. Lessons will incorporate peer discussion, guided reading, and interactive or game-based activities.

About the Teacher - Robert Sandage

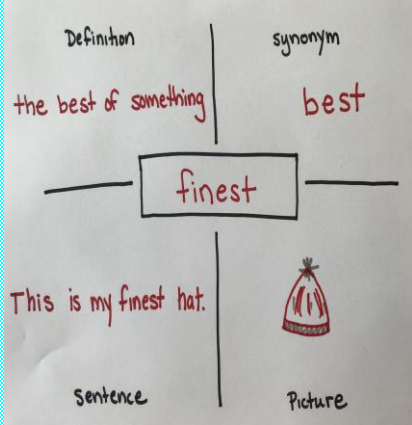

Mr. Sandage has taught English at HuaXia for 9 years, starting in October of 2015. He has a Master of Education degree from the University of Houston, where he also earned a Bachelor of English - Creative Writing. He has written books for children looking to read while learning new vocabulary, and is soon to publish his works online. Mr. Sandage is also employed at the T. H. Rogers School, where he teaches 8th grade U.S. History.

HuaXia 2025 Classes - Robert Sandage

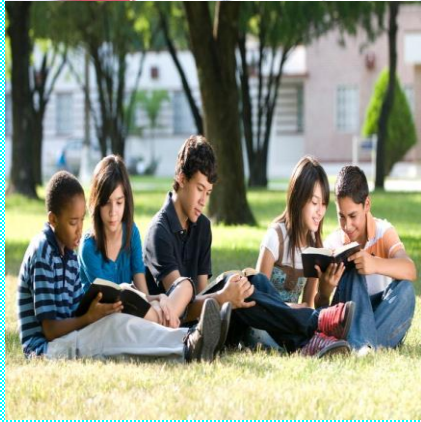

Mr. Robert Sandage will be teaching Elementary Grade English classes on Sundays, where students will improve their reading levels, build their learning of new words and their definitions, and practice crafting their writing in the English language. The classes will be English Reading & Vocabulary for grades 1 & 2, English Reading & Writing for grade 3, and English Reading & Writing for Grade 4. There will also be an ISEE Lower Level class, where students will learn techniques to help do well on the Lower Level Exam, as well as receive actual practice exams as homework.

(Grades 1-2) Reading & Vocabulary - Robert Sandage

Mr. Robert Sandage is offering a class assisting students increase their reading levels and their vocabulary. Students will be reading passages that are suitable for their grade, but also challenge the students to read above their grade level. In addition, the passages will include vocabulary words that the students can learn and practice with, so as to increase their knowledge of the English language. This can help them excel at reading, and make any sentences they write appear more advanced. The passages will include questions meant to test their comprehension of the vocabulary they are learning. This means there will be assignments related to context clues and using vocabulary in sentences. There will be a semester-long assignment in which the students will write down the vocabulary words they learn.

(Grade 3) English Reading & Writing - Robert Sandage

Mr. Robert Sandage is offering a class assisting students increase their reading levels and their vocabulary. Students will reading passages that are suitable for their grade, but also challenge the students to read above their grade level. In addition, the passages will include writing questions, so as to increase their knowledge of the English language, as well as their ability to write short answer questions. This can help them excel at reading, and make their sentences more advanced. The passages will include questions meant to test their comprehension of the topics they are learning. This means there will be assignments related to context clues, main ideas, critical thinking, and using vocabulary in sentences.

(Grade 4) English Reading & Writing - Robert Sandage

Mr. Robert Sandage is offering a class assisting students increase their reading levels and their vocabulary. Students will reading passages that are suitable for their grade, but also challenge the students to read above their grade level. In addition, the passages will include writing questions, so as to increase their knowledge of the English language, as well as their ability to write short answer questions. This can help them excel at reading, and make their sentences more advanced. The passages will include questions meant to test their comprehension of the topics they are learning. This means there will be assignments related to context clues, main ideas, critical thinking, and using vocabulary in sentences.
